---

Sri N Keshava Iyengar informed the House that prosecutions are not being launched at all and that no work had been done so far and that no other arrangements are made by the Health Department for scrutiny of the work turned out by the Food Analyst

The Commissioner said that unless some arrangements were made by the Council it was quite impossible for him to get the work done by the Food Analyst

Sri P R Ramaiah speaking said that when the laboratory was not constructed for the use of the Food Analyst in the Municipal Office, the post of the Food Analyst be abolished and further opined to have the post after the construction of the laboratory in the rear of the Municipal Office Sri N Keshava Iyengar also supporting Sri P R Ramaiya said that a laboratory of their own be constructed early for the use of the Food Analyst

Sri R Anantharaman observed that the post should be abolished as there was no sufficient place for the construction of a laboratory and that many people are being decieved without the analysis of foodstuffs by the Food Analyst

Sri G Nanjappa also observed that even the Food Analyst was not a proper and qualified person and that he may be continued as Food Analyst after being sent for immediate training to the Director of Public Health or any other place

Sri D R Puttanna also speaking said that cases launched in the Court regarding food analysis would be dismissed on no account if there was no post of the Food Analyst in the municipality and he suggested that the post be retained

Sri G S Levadass suggested that until the food stuffs become cheap the provision for the post be removed from the Budget

Janab A J Khaleel speaking said that a reference be made to the new Director of Public Health for appointing the Food Analyst in his Department and asked the Commissioner about the total service of the present food analyst Sri K V Govindappa. He further observed that if the Food Analyst will have to work separately a laboratory should be provided early for his use

The President replied that a temporary shed be built in the rear of the Municipal Office for the purpose

Resolution - "It is resolved that Sri K V Govindappa be continued as Food Analyst and he be deputed for immediate training to the Director of Public Health, Bangalore or any other place of training It is also noted that the Commissioner shall take necessary steps forthwith to establish the Municipal laboratory for analysis as per the previous resolution

U O No CL 1-264/48-49 dated 4-10-1948 from the Director of Public Health, to the Secretary to Govt Revenue Department

Retransmitted with corpliments

The previous Director was of the opinion that, as it is a number of years since the candidate passed his B Sc , examination and is therefore out of touch with the subject of Chemistryfor a long time, he is not suited for being taken as Food Analyst in Bangalore City Municipality His contention is in my view also

well founded However as the Municipality is insisting on this candidate being taken on for this work, I suggest that he may be asked to appear before the Chemical Examiner to undergo an examination to know whether his knowledge of chemistry and allied subjects is sufficient to consider him fit for being taken up for training In the alternative, as the period of 4 months, which was the duration of the temporary vacancy to which he was appointed has expired, applications may be called for afresh through the Public Service Commissioner for selecting a candidate for the appointment The latter procedure would avoid all unnecessary controversy

SUBJECT Appointment of Sri K V Govindappa as Food Analyst in Bangalore City Municipality

With reference to your letter No A5 C 110/47-48 dated 8th July 1949 on the above subject, I am directed to point out that it would take some time before the resolution of the Municipal Council to depute Sri K V Govindappa for training him as Food Analyst and appointing him as such thereafter could be given effect to But in view of the importance of this work, it is necessary that some arrangement should be made immediately so that the prosecutions, if any, that may have to be launched under the Act for the prevention of food adulteration might be conducted with success Further the Corporation would aoso come into existence shortly I am therefore to suggest that the Municipal Council may consider the desirability of appointing the Food Analyst attached to the Laboratory of the Civil Station Municipal Commission as Food Analyst for the City Municipality

The views of the Municipal Council in this behalf may be kirdly ascertained and intimated to Government very early

PROCEEDINGS OF THE MEETING OF THE COUNCIL DATED 24-8-1949

It Additional Subject No 5

Health Officer's report recommending that Food Analysis work of this Municipality be entrusted to the Food Analyst of the Civil Station until orders of Government are received for the training of Sri V Govindappa as Food Analyst also office note in the matter

Sri N Keshava Iyengar observed that inspite of repeated requests no action had been taken for the establishment of a laboratory The Government had also sanctioned the proposal and a sum of Rs 10,000/- had also been sanctioned for the purpose and it was not understood what exactly was the helplessness of the Health Department in this matter

The Health Officer explained that Sri I V Govindappa had been appointed as the Food Analyst but the Director of Public Health did not permit him to undergo training in the laboratory and that the matter was still under correspondence there was no accommodation in the office and that the required equipment was also not available for this purpose

Sri D Nallappa suggested that one of the rooms should be made use of for the purpose and that the work should be undertaken immediately

Janab A J Khaleel observed that for the present the work might be got from the Food Analyst of the Civil Station and there was no need for two Food Analysts in view of the proposed Corporation

Sri G Nanjappa observed that there was no use in simply prosecuting the people when there was great scarcity for food stuffs and that unless food stuffs were not in plenty there would be no substantial benefit in punishing the poor people

Dr C A Rama Setty Srimathi Annapurnamma Sri S N Munivenkatappa Sri G S Devadoss and Sri K Chamaraja Iyengar all spoke and pointed out that adulteration was going on in the City without any obstruction or fear and unless prompt measures were taken by the Municipality it would be very dangerous to public health They stressed for the immediate establishment of the Municipal laboratory and supported the proposal of the Health Officer that this work might be entrusted to the Food Analyst of the Civil Station pending the opening up of a Municipal laboratory with necessary equipment and trained staff

Resolution - Health Officer's recommendation is approved provisionally pending the establishment of a Municipal laboratory

Subject - PAYMENT OF SALARY TO Sri K V GOVINDAPPA, FOOD ANALYST, DEPUTED TO ASSIST THE REVENUE OFFICER IN COLLECTION WORK

In enclosing herewith a copy of the letter No 58/C dated 20th July 1950, received from the Auditor, Corporation of the City of Bangalore, I have the honour to state as follows

Sri K V Govindappa is a permanent Profession Tax Inspector in grade 60-5-90/EB-6-150 He was appointed to act as Food Analyst on Rs 100/- in grade 100-5-150 now revised to 100-5-175-10-225 as per the erstwhile City Municipal Council resolution No 50 dated 28-11-1947 This was tentatively approved by Government in their Order No L 153-88/11 10-47-78 dated 1-4-1948 He continued to work in the Health Office in the post of the Food Analyst till the Corporation came into being i e , 8-12-1949 As the Food Analyst of the Civil Station area was subsequently appointed as Food Analyst of the entire Corporation area, Sri K V Govindappa was appointed as personal clerk to the Commissioner till he went on privilege leave with effect from 16-12-1949 He returned to duty from leave on 9-1-50 and was then asked to assist the Revenue Officer until further orders as there were heavy arrears of collection work and his work as Special Tax Inspector in the previous revision

revision of assessment on buildings and lands and as Profession Tax Inspector was satisfactory

It has been proposed to allocate Sri Govindappa in the new schedule of establishment and his appointment will be regularised from the date, the Schedule of establishment is given effect to The post of the Food Analyst continues to be vacant till Sri A Pulasekar Mudaliar, permanent Food Analyst of the City area on other duty as Market Superintendent is confirmed elsewhere To create under competent sanction specific appointments for short period during which Sri Govindappa was employed in various capacities and to count him against each post during the respective periods as suggested by the Auditor would involve much unnecessary correspondence and trouble The official is put to much hardship for want of pay for the last over 8 months Under the above circumstances I request that the Government may be moved to accord sanction to the doing duty arrangements and as a special case, the pay of Sri Govindappa being drawn and disbursed to him against the vacancy of food analyst from 1-2-1950 till he will be absorbed in a suitable vacancy in the new Schedule of Establishment approved by the Corporation

I am in the meanwhile requesting the Auditor to admit the salary of Sri K V Govindappa against the Food Analyst vacancy in anticipation of sanction of Government

Forwarded with compliments

Yours faithfully,

Regarding the disbursement of Pay and Allowances to Sri K V Govindappa

---

I have the honour to state that the pay and allowances of Sri K V Govindappa, Food Analyst, for the month of February 50 included in the Establishment bill of the Health Office for that month was dererred in audit for reasons furnished in this office objection Memo dated 1-3-1950 (copy enclosed for ready reference) Again a supplemental bill containing his claims of Salary for the months of February 1950 to end of June 1950 has been prepared on the ground that the Standing Committee have approved of the doing duty arrangement of SriK V Govindappa (who was Food Analyst of the Health Section) in other Departments of the Corporation and the same has been sent for audit In this connection, I have to state that the above post of Food Analyst cannot, in any case, continue beyond the date of the Government Notification No L 6940/C M 49-49-18 dated 11-1-1950, in accordance with which, Government have appointed the Food Analyst of the Civil Station Area as the Food Analyst of the City of Bangalore Municipal Corporation which includes City area also

It is also since ascertained that Sri Govindappa was working as Food Analyst till the Corporation came into being i e, 8-12-49 and thereafter as Personal Clerk to the Commissioner till he went on 24 days Privilege leave with effect from 16-12-49 He returned to duty from leave on the 9th January 1950 and the point as to how his services were utilised from that date till 23-2-50 from which date, it is stated that he was assisting the Revenue Officer of the Corporation in the collection work is not clear His pay should not have been drawn under clause 16 of Rule 295 of the Municipal Account Manual as amended by Correction slip No 40 dated 11-6-1935 as Food Analyst for the period, during which, he was not actually performing the duties attached to that post but was engaged on other duty outside the Health Department The Section of the Corporation Act under which the Standing Committee have sanctioned the "Doing Duty System" of the official which is inadmissible under the rules as pointed out above is now known In these circumstances, his appointment in varbous capacities with effect from 8-12-1949 and onwards as Personal Clerk to the Commissioner, Assistant to the Revenue Officer etc , has to be regularised by creating such posts on the concerned Establishments for the periods, during which, he worked in such capacities under Government sanction, to enable his pay for the period being admitted in audit The Supplemental Pay Bill of the official is herewith returned unaudited for favour of taking necessary action in the matter

NOTE TO THE STANDING COMMITTEE

Sri K V Govindappa permanent Profession Tax Inspector was on other duty as Food Analyst in the Health Department prior to the formation of the Corporation But on the advent of the Corporation Government in their notification No L 6840/C M 49-49-18 dated 11th January 1950 declared the Food Analyst of the Civil Station area as Food Analyst of the Municipal Corporation Sri Govindappa's pay was disallowed in audit when it was drawn against the post of the Food Analyst of the City area with effect from 1-2-1950 while he was allowed to assist the Revenue Officer (City) in collection work The Standing Committee (Taxation and Finance) at their meeting held on 14th June 1950, have approved for the doing duty arrangements and to allow the pay of Sri F V Govindappa to be drawn in the Health Section against the post of the Food Analyst Government were accordingly addressed to accord sanction to the resolution of the Standing Committee (Taxation and Finance) But Government in their letter No L 9875 dated 28th December 1950 have stated that the post of the Food Analyst of the City area is abolished as per the Government Notification dated the 11th January 1950

As the matter is pending settlem nt for the lost one year, the official is put to much hardship for want of his pay As the official is however actually assisting the Revenue Officer in collection work it is suggested that a temporary post in grade Rs. 100-5-150 under the designation of the "Assistant to the Revenue Officer" may be created from 1-2-1950 to 31-3-1951 and to allow his pay at Rs. 110/- per month and 7-8-0 C A against that post

This is placed before the Standing Committee (Taxation and Finance) for consideration and sanction with the proposition and allocation statements

With reference to your letter No 1938 dated 30th May 1951 on the above subject asking me to intimate as to how Sri K V Govindappa is proposed to be treated after 31st March 1951 I write to state as follows -

It was presumed that the schedule of Establishment and Allocation statement sanctioned by the Corporation for being given effect to from 1st April 1950 will come into force at least by 1st April 1951 and therefore sought the orders of Government for the creation of the post of 'Assistant to the Revenue Officer' to facilitate the pay of Sri K V Govindappa being drawn against that post only up to 31st March 1951 Though Sri V Govindappa is allocated as Assistant Octroi Superintendent in grade 80-5-90-7 B-6-150 in the Allocation Statement sanctioned by the Corporation, he still continues to assist the Revenue Officer in arrears of collection work
